ABOUT US

Reyami Rental, a premier equipment rental provider in the UAE, has been delivering exceptional services to clients across the country since its establishment in 2004. Our commitment to quality, reliability, and customer satisfaction has been instrumental in carving our niche in this competitive sector. As a dynamic conglomerate, we navigate a diverse array of business interests, serving various industries with our comprehensive range of rental solutions.

Our primary operations are centered in the Middle East, where we have created a robust network, closely understanding and catering to the region's unique market demands. Our diverse portfolio spans a range of sectors, from construction and oil & gas to marine and infrastructure, among others. We offer a broad spectrum of equipment for rent, including generators, compressors, lighting towers, welding machines, forklifts, roller compactors, dewatering pumps, HVAC rentals, and portable facility cabins and containers. This extensive product line, coupled with our unwavering commitment to service excellence, allows us to provide tailored solutions that meet and often exceed our clients' expectations.

We proudly cater to a wide array of sectors, including construction, oil & gas, mining, marine, EPC, offshore, petrochemical, defence, government, infrastructure, utilities, and events. With a forward-thinking approach and a customer-centric philosophy, we are constantly evolving to better serve our clients. We continually invest in our people, our technology, and our fleet of equipment, ensuring we stay at the forefront of industry trends and technological advancements. This proactive approach helps us provide our clients with the most efficient, reliable, and cost-effective solutions in the market.

Our ambitious growth strategy extends beyond these borders, targeting other middle east markets. As we grow, we remain dedicated to maintaining the highest standards of service and professionalism, striving to be not just a supplier, but a trusted partner to our clients.

RTS Construction Equipment Rental and Al Reyami Equipment Rental branded as Reyami Rental holds a significant position in the industrial landscape of the United Arab Emirates. At Reyami Rental, our journey towards excellence is a continuous process, marked by a harmonious blend of innovation, quality, and efficiency. We pride ourselves on delivering top-tier services to our clients at competitive prices, catering to diverse requirements across a broad spectrum of industrial sectors within the UAE.

Our comprehensive range of equipment, powered by a dedicated team of industry professionals, a robust workforce, and cutting-edge machinery, positions us confidently to meet the stringent demands of quality and delivery timelines for construction, oil & gas, petrochemical, marine, events and other utility industries.

Our operations, steered by qualified engineers and technicians, adhere to the highest industrial quality standards. We stand ready to serve you 24/7, all year round, collaborating closely to provide a comprehensive solution for all your industrial project needs.
